CERTIFICATE OF APPRECIATION

FOR DONATION

PRESENTED TO

**THE STUDENTS AND ACADEMICIANS OF
SARASWATI COLLEGE OF ENGINEERING
KHARGAR NAVI MUMBAI**

For your generous donation to the Voice of Marty's Welfare Association

Your contribution will be incredibly helpful to us for moving one step further towards our goal of bringing happiness in lives of each of such families. Your assistance means a lot to the organisation and even more to the families of the great souls who have left their families in guardianship of the millions of citizens for whom they gave up their lives without any second thought. Having citizens like you standing for them will assure their families that even if the governments may left them feed for themselves, the citizens of this country will stand for them always in times of need.

Thank you all.
