**Sub: Welcoming volunteers for Voice of Martyr's Welfare Association (Regd.)- reg.**

Dear Sir / Madam,

It's a great pleasure to introduce ourselves as Voice of Martyr's Welfare Association (Regd.), an NGO working to provide help to martyr's families all over the country. At present, we are working with some of institutions in Mumbai (Maharashtra), Ahmadabad (Gujarat) and Gwalior (M.P.) In these cities, school and college students are coming forward towards promoting the noble cause of the organization through various means like by creating awareness through specific events, generating funds through fests and functions, organizing marathons etc. Since we are also expanding our coverage to martyrs' families across the country, it is becoming important for us to expand our work and activities to various parts and gather as much resources as possible.

A large number of martyrs' families are marred by the poor socio economic conditions following the loss of their sole bread earners and consequent continuous neglect by the administration and government. Keeping this in view, we are initiating a country wide movement for mobilizing a small portion of the vast resource of this country in form of its youth to lighten the lamps of happiness in the homes of these families. Towards this end, we are engaging with top institutions and colleges of this country to spread awareness among the young blood regarding their duty to pay their tribute to all those who died for them and their secure future.

We, and this nation, would be highly grateful if your institution can lend a helping hand to this cause by creating awareness among the current students and alumni
